

## NEWS RELEASE

14 May 2018

### **Zirax expands the market of Croatia with Fudix TM calcium chloride food grade prills**

Zirax (further referred to as Zirax or Company), one of the global leaders in manufacturing and supplying of specialty chemicals for different applications, including but not limited with such as oil & gas, industrial, food, home and personal care ingredients is pleased to announce start of shipments of its high purity synthetic food grade Calcium Chloride prills 95% Fudix TM to new customer in Croatia.

Calcium chloride Fudix™ is produced from 2010 at Factory in Volgograd. From then onward, the product has found out its regular loyal consumers at diverse customers' database as in Russia and Internationally markets.

The respectable Croatian customer made a numerous laboratory and industrial tests of samples, verified specifications, certificates and other permits from different foreign supplies of analogous material more than half year. Fudix TM food grade calcium chloride prills test results showed the best quality of Zirax product. High quality of produced products is the first Zirax priority and the fundamental basis of the company's work. After an official approvement of Fudix TM food grade calcium chloride prills 95% quality in May 2018 and finalizing commercial part of negotiations Zirax has started to arrange the first shipment of Fudix TM to port Rijeka, Croatia.

Croatia is well-known as one of the tourism country, but despite this, there are also developed various industries such as chemical, petrochemical, food, pharmaceutical. Breweries, wine factories, meat processing plants, and processing of agricultural products operate in the country as well.

It's our worth to remark that Zirax has long-term relationships with Croatian customers of calcium chloride prills and powder 94-98% technical grade as well.

Commenting on the beginning of FUDIX™ shipments to Croatia Julia Komarova, export sales manager has noted that: «Establishing partnerships with the new customer in Croatia we provide high-quality Fudix™ calcium chloride food grade prills certified Kosher, Helal, ISO and the rest relevant certificates at competitive market prices. We are very much happy of the fact to add Croatian customer's database with the new customer and hope to establish with them long-term mutually beneficial cooperation. »
