

NEWS RELEASE**September, 2, 2019****Zirax won tender to ship PelletOil TM Calcium Chloride technical grade
to Croatian oil and gas Company**

Zirax (further referred to as Zirax or Company), one of the global leaders in manufacturing and supplying of specialty chemicals for different applications, including but not limited with such as oil & gas, industrial, food, home and personal care ingredients is pleased to announce victory in the tender for the supply of high purity synthetic technical grade PelletOil TM Calcium Chloride powder 94-98% for oil & gas company in Croatia.

PelletOil TM Calcium chloride 94-98% is produced at Volgograd Chemical park, Russia, which offers variety of chemical products for local and global customer base. Zirax products manufactured there have found solid customer base as well not limited to Russia but supplied to international accounts also.

European Oil & Gas Company with a leading role in Croatian Oil & Gas exploration announced in May of 2019 tender for Calcium Chloride powder 94-98%. Big number of producers from different countries participated in the tender. Zirax made a decision to compete for the title of the highest quality product producer at a competitive price. One of the fact confirming the highest quality of produced product was successful passing of numerous tests by Zirax PelletOil TM Calcium Chloride as in origin customer laboratory as in third party authorized laboratories. Highly professional specialists at Zirax logistics service as well as successful geographical location of Zirax plant have helped to propose very competitive price for the best quality product available at the market.

Commenting on the victory in the tender, Julia Komarova, Zirax Overseas sales manager has noted that: «It is not the first time when we ship material to our respectable Croatian customer moreover it is pleasant to welcome our long-term customer and realize that the quality of Zirax produced PelletOil TM calcium chloride is traditionally at stable high quality level. We thank our partner for the choice in our favor and happy to prolong our cooperation».
